RE: Invitation for the Bid submission in the negotiation process for the procurement of the service – the maintenance of the Gyro Clearing and Real Time Gross Settlement systems, by the negotiation process without a notification announcement (Stages I, II and III)

Dear Madame/Sir,

According to the Decision of the Central Bank of Bosnia and Herzegovina on starting the process of the public procurement of services – **The maintenance of Gyro Clearing and Real Time Gross Settlement systems, by the negotiation process without a notification announcement, ref: UV-150-01-1-106/17SM dated 26.10.2017**, we hereby invite you to submit your Bid.

1 Description of the Subject of Procurement

The subject of this process is the procurement of services – **The maintenance of the Gyro Clearing and Real Time Gross Settlement systems**, according to the technical specification provided in **Annex VI**.

The procurement is divided into the Lots, as it follows:

LOT 1 – Maintenance of the Gyro Clearing system, in the estimated value of KM 440,000.00 and
LOT 2 – Maintenance of the Real Time Gross Settlement system, KM 950,000.00.

The total estimated value: KM 1,390,000.00.

Designation and name from the single public procurement vocabulary: 48000000-8 – Programme packages and information systems.

I Stage

2 Contents and the Way of Preparing the Bid

The Bid together with the relevant documentation shall be prepared in English. In preparing the Bid, the Bidder has to adhere to the requirements and conditions from the Tender Documentation. The Bidder cannot change or supplement the wording of the Tender Documentation.

The Bid has to include the following:

- The Statement on the Fulfilment of the Conditions from Article 45 – **Annex I** (with which, the copies of the documents from point 5, sub-points a), b), c) and d) are submitted);
- The written Statement from Article 52 – **Annex II**;
- The filled in form for the Bid submission – **Annex III**;
- The filled in form for the Bid initial price – **Annex IV**;

3 The way of submitting the Bid and the Bid validity

The final deadline for submitting the Bid is 15 December 2017, until 11.00 hours. The Bid shall be submitted at the address: Centralna banka Bosne i Hercegovine, Maršala Tita 25, 71000 Sarajevo. The Bid should be valid for minimum 120 days, counting from the final deadline for the Bid submission.

The documentation which is submitted shall be **firmly bound into a whole** in a way to prevent subsequent taking out or inserting of the sheets. The firm binding means the binding with **the security cord** (notary rope) or **the book firm binding with covers**. **The Bids bound with spiral binding or in an ordinary plastic folder shall not be accepted!**

After receiving the documentation, the commission in charge of implementing the process shall carry out the control and evaluation of it in respect of checking the qualifications of Bidders.

4 Currency of the Bid

The Bid price shall be denominated in EUR.

5 In order to be qualified for the Contract assignment, it is necessary that you meet the conditions from Article 45 of the Public Procurement Law, so the Bidder is obliged, with purpose of proving the personal ability, to prove that:

a) it has not been convicted by the valid judgment in criminal proceedings for the criminal offences of organized crime, corruption, fraud or money laundering, in accordance with the applicable regulations in Bosnia and Herzegovina or the country where it is registered;

b) it is not bankrupt or not subject to bankruptcy proceedings, except in case of the existence of the applicable decision on the confirmation of the bankruptcy plan, or it is subject of liquidation process, i.e. is in the process of suspending the business activity, according to the applicable regulations in Bosnia and Herzegovina or the country where it is registered;

c) it has fulfilled the obligations related to the payment of the pension and disability insurance and health insurance, in accordance with the applicable regulations in Bosnia and Herzegovina or the country where it is registered;

d) it has settled the obligations related to the payment of direct and indirect taxes, in accordance with the applicable regulations in Bosnia and Herzegovina or the country where it is registered.

With purpose of proving the requirements from points a) to d), the Bidder is obliged to submit **the filled in statement, verified by the competent authority**, which is the integral part of this Tender Documentation (**Annex I**), **with which it will submit the copies of the documents mentioned under points a), b), and c) and d).**

6 Disqualification on the Basis of Conflict of Interest or Corruption

According to Article 52 of the Public Procurement Law, the contracting party is obliged to decline the Bid if the Applicant/Bidder has given or is willing to give bribe to the current or former employee of the contracting party in the form of money or in any non-pecuniary form, with the aim to influence an action, decision or the development of the public procurement process.

Related to this, each Applicant/Bidder is obliged to submit, with the application for participation, also a special written statement declaring that it has not offered bribe or participated in any actions aimed at corruption in the relevant public procurement.

Applicant/Bidder is obliged to prepare the mentioned statement and submit it according to the form from (**Annex II**) of this Tender Documentation, verified and signed by the Applicant/Bidder and verified by the competent authority.

In case the Bid is submitted by a group of Applicants/Bidders, the mentioned statement is submitted by the Lead Applicant/Bidder in the group – the authorised representative of the group of Applicants/Bidders for all the members of the group of Applicants/Bidders.

7 The Cost of the Bid and Takeover of the Tender Documentation

The cost of preparing the Bid for the participation and submission of the Bid shall be entirely born by the Applicant/Bidder.

This Tender Documentation shall be forwarded to the Bidder.

Note: All the interested Bidders which take over this Tender Documentation from the web site of the contracting party, are obliged to send the information on the Bidder (name, seat, contact address, telephone and email) by e-mail: dalibor.matic@cbbh.ba and email: sanela.mahmutovic@cbbh.ba for communication during the procurement process and possible delivery of notices, replies to enquiries, information on possible received complaints etc...

8 Correction and/or Amendment of Tender Documentation, Requests for Clarifications

Applicants/Bidders may require, in writing, an explanation of the Tender Documentation from the contracting party.

The contracting party will prepare a reply in writing and submit it to all the Applicants/Bidders which have taken over the Tender Documentation or for which it has the information that they have taken it over in one of the ways defined by this Tender Documentation within three days, and not later than five days before the expiry of the deadline for submitting Bids, and the name of the business entity which required the explanation shall not be mentioned in the reply on the clarification.

The contracting party may at any time, and not later than 5 days before the expiry of the deadline for the submission of the Bids/applications for participation, for justified reasons, either at its own initiative, or as a reply to the request of a business entity for explanation, or according to the order of the BH Procurement Review Body, change the Tender Documentation. It is obliged to inform on all the amendments of the Tender Documentation all the potential Applicants/Bidders for which it knows that they have taken over the Tender Documentation in one of the ways mentioned in this Tender Documentation.

In case the amendment of the Tender Documentation is such that the preparation of the Bid/application for participation will require some additional time, it is obliged to prolong the deadline for the receiving of the Bids/applications for participation, as adequate to the amendments made, but by 7 days at least.

Stage II

9 Negotiation Process

After the commission examines the submitted Bid and the documentation from **Stage 1** and concludes that the qualifications are met, it will arrange the negotiations with your representative, by electronic way (mail). For that purpose, it is necessary that you submit, in the Bid submission form (**Annex III**), the contact data, name and family name and e-mail address of the person who will be authorized to negotiate with the commission on behalf of the Bidder.

The negotiations will be arranged on the same day **15 December 2017, beginning at 13.00 hours**, when the authorised representative of the commission conducting the negotiations will contact you in the above mentioned way and by the contact e-mail which you submit.

Stage III

10 Submission of the Final Bid

After completing the negotiations, the commission will send a request by e-mail to the authorised person of the Bidder who is authorised to negotiate with the commission, for the submission of the final Bid.

After receiving this request, the Bidder is obliged to submit the final Bid –**The Bid final price form (Annex V)**, filled in according to the requirements stated in it, and according to the achieved negotiations (scanned by e-mail after the completion of the negotiations), and the Bidder shall submit the original final Bid subsequently, by mail to the address stated in point 3 of this Tender Documentation.

11 Contract Assignment Criteria

The criterion for assigning the Contract is the lowest price.

12 Contract Assignment

The criterion for assigning the Contract is the lowest price. Upon the completion of **I and II Stages**, if the Central Bank makes a decision on the Contract assignment, i.e. assigns the Contract to the invited Bidder in this public procurement process, the Bidder is obliged, before concluding the Contract, to submit **the original documentation or verified copies by the competent authority of the country where the Bidder is registered, with purpose of proving the facts from the statement (Annex I)**, as it follows:

a) certificate from the criminal records of the competent court that it has not been convicted by the valid judgment in criminal proceedings for the criminal offences of organized crime, corruption, fraud or money laundering, in accordance with the applicable regulations in Bosnia and Herzegovina or the country where it is registered;

b) certificate or confirmation from the records where the facts are recorded that it is not bankrupt or not subject to bankruptcy proceedings, except in case of the existence of the applicable decision on the confirmation of the bankruptcy plan or it is subject of liquidation process, i.e. is in the process of

suspending the business activity, according to the applicable regulations in Bosnia and Herzegovina or the country where it is registered;

c) certificates by the competent tax authority or, if the Bidder is not registered in Bosnia and Herzegovina, confirmation or certificate from the records on the basis of which it can be concluded that it properly fulfils the obligations related to the pension and disability insurance and health insurance;

d) certificates of the competent institution(s) on the properly settled obligations related to direct and indirect taxes.

In case the Bidder has a concluded agreement on the rescheduling of obligations, i.e. postponed payment, on the basis of the contributions for pension-disability insurance, health insurance, direct and indirect taxes, it is obliged to submit the certificate of the competent institution(s) that the Bidder settles its rescheduled obligations according to the defined plan. If the Bidder has concluded an agreement on the rescheduling of obligations or postponed payment of obligations and carried out only one payment of the obligations, immediately before the Bid submission, it is not considered that it settles its liabilities according to the defined plan and such Bidder shall not be qualified in this public procurement process.

If the Bid is submitted by a group of Bidders, each member of the group must meet the conditions in respect of personal ability and the evidence is submitted for each member of the group separately.

The evidence which the selected Bidder is obliged to submit have to include **the confirmation that in the moment of submitting the Bid, it fulfilled the requirements of the Tender Documentation.** Otherwise, it will be considered that it has given a false statement. **The original evidence on the fulfilment of the requirements must be submitted within seven days, from the day of receiving the notice on the results of this public procurement process.** The selected Bidder must meet all the requirements in the moment of submitting the Bid, otherwise it will be considered that it has given a false statement from Article 45 of the Law.
